<b>B. Tech (CSE)</b> , Vellore Institute Of Technology, Bhopal <i>CGPA: 8.35 / 10</i>	<b>Jun 2021 – Jun 2025</b>
<b>Class XII</b> , Kota Jr. College Of Science, Karad <i>Percentage: 93.33%</i>	<b>Jun 2020 – Mar 2021</b>
<b>Class X (CBSE)</b> , Krishna School, Karad <i>Percentage: 76.40%</i>	<b>Jun 2018 – Jun 2019</b>

## Technical Skills

- **Languages:** Python, Java, Javascript
- **Web Technologies:** HTML/CSS
- **Databases:** SQL
- **Operating Systems:** Mac, Windows

## Certifications

- Java Foundation Certification (Infosys Springboard), August 2024
- Cloud Computing (NPTEL) - Certified (Elite + Silver), April 2024
- Google Cloud Digital Leader – Certified, January 2024
- Iamneo (Java Full Stack Development), December 2023

## Academic Projects

<b>Full Stack: Food SEVA</b>	<b>Oct 2023 – May 2024</b>
<ul style="list-style-type: none"><li>• Developed a web application aimed at combating food waste by collecting surplus food from over 50 donors and redistributing it to more than 200 people in need.</li><li>• Designed and implemented an advanced user authentication system, Utilized PHP and MySQL to streamline user login processes and reduce login-related support tickets.</li></ul>	

<b>Front End: Fire Detection</b>	<b>Jul 2022 – Sep 2022</b>
<ul style="list-style-type: none"><li>• Created a real-time forest monitoring solution, Developed a system using webcam hardware to enhance early detection and minimize false alarms.</li><li>• Applied Computer Vision algorithms and Developed and implemented techniques for early fire detection with high accuracy.</li></ul>	

## Internship

<b>Iamneo</b>	<b>Role: Java Full Stack Developer</b>
<ul style="list-style-type: none"><li>• Achieved an intensive virtual internship focused on Java development, resulting in the creation of three distinct applications that boosted coding efficiency by.</li><li>• Optimized student management systems using Java Spring Boot, leading front-end and back-end development; reduced administrative processing time by and optimized student data accuracy.</li></ul>	

<b>MotionCut</b>	<b>Role: Java Programming Intern</b>
<ul style="list-style-type: none"><li>• Successfully completed a 1-month internship, deepening technical skills and tackling challenging projects.</li><li>• Fostered a collaborative environment within a cross-functional team of 2 members, implementing weekly feedback sessions that improved project turnaround time.</li></ul>	

<b>Edunet Foundation</b>	<b>Role: Front End Developer</b>
<i>Virtual Internship powered by IBM Skillbuild &amp; AICTE</i>	

- Enhanced user interfaces by incorporating user feedback and best practices; increased user retention rate and reduced task completion time.

## Co-curriculars

**Coding:** Solved over 150 challenging LeetCode and GeeksforGeeks problems using Java and Python.

## Extra-curriculars and Achievements

### Achievements:

- Secured 2nd rank in Naukri Campus CodeQuezt Contest 11: The Ultimate Coding Challenge.
- Accomplished 100 days of coding challenges on Leetcode and GeeksforGeeks, achieving an average solution efficiency improvement.

### Extracurricular:

- Dev Code Community: Orchestrated community outreach programs and interactive webinars, resulting increase in user-generated content and growth in active membership.

## Additional Information

**Hobbies:** Travelling, Gym  
**Languages:** English, Hindi, Marathi, Urdu
